

Chicago Apartment Finders

Position:

The position we are currently hiring for is Real Estate Consultant. This entails leasing, listing, sales, relocation among other entrepreneurial enterprises. We are building strong agents that focus on renters and landlords while they build their overall sales practice.

Company:

Chicago Apartment Finders is the leading apartment finding firm in Chicago with over 100 professionally trained leasing agents, a remarkable support staff, and four prominently located leasing centers. Our mission is to match people with apartments, and last year we did just that for over 10,000 clients.
